17 ▼ that's more like it.

We need 100% of this to march to the Capitol, disregard ANY efforts at crowd control and attack anyone who tries. Take their weapons. Don't beat them up but render them useless to stop us. be an unstoppable swarm. If there's a police line, cross it, a line of faggy bike cops lining up their bikes, push through them and keep moving. Let NOTHING stop the wave or we won't win

3 Incredible, so many patriots and all peaceful. Just awesome, I don't know what else to say. Wish I was there but I'm doing my part and working the phones and contributing. History, take pictures, we love you guys.

▼ We need more photos like these. I've seen lots from around the stage but that doesn't really illustrate just how many people are there.
This is beautiful!
